# DRINKS

## CHINCHA COCKTAILS

### **Chinchiví £9:**

Sol de Plata quebranta pisco, Fair açai liquor, Gingerella, mint, panca sugar rim.

Named after a classic Afro-Peruvian song, this is a long drink that combines some of the flavours of the rainforest with Afro-Peruvian cuisine. A fresh and zingy way to get the party started.

### **Catedral £12:**

Sol de Plata quebranta pisco, lime juice, sugar syrup, egg white, Amargo Chuncho bitters.

If the ingredients sounds familiar, it's because they are! A Pisco sour but on a much larger scale, the Catedral is the name given in Peru to a double or triple pouring in a large glass for those thirsty people in the mood for a great time.

### **Toro Mata £9:**

Coffee-infused Barsol quebranta pisco, Fair quinoa vodka, espresso, sugar syrup.

A Ceviche classic, this drink takes its name from one of the most famous Afro-peruvian songs. A good pick-me-up drink to keep on playing the cajón all night long.

### **Machete £9:**

Pisco impostor rum, Fair Rum, Karma Cola Syrup, orange peel.

Machete is a song by Novalima that fuses Afro-Peruvian and electronica, a classic in our playlists and a team favourite. This old-fashioned style drink is strong and blunt like one real machete, but with familiar flavours to ease you into the evening.

### **Chirulín £25 (1 litre jug to share):**

Sol de Plata quebranta pisco, Fair kumquat liquor, Gingerella, grapefruit juice, cinnamon.

A one of a kind, traditional Afro-peruvian cocktail, shared in the farming communities of Peru. Ours takes this classic up a notch by boosting the flavours with kumquat liquor and Gingerella, but we have remained true to the sharing ethos of the drink, serving it in a jug to be enjoyed amongst friends.
