## Welcome to our restaurants

“In 2011, I gave up a career in the music industry to follow my true passion for the Peruvian food and traditions I grew up with. I am immensely proud of what we have achieved as a team, with Ceviche Soho, Andina in Shoreditch and Ceviche Old St.

“Each of our restaurants has its own unique menu, atmosphere and design. Each is the result of an immense amount of time, passion and love – or as we would say, ‘cariño’. These are evident in everything we do: from the flavours of our dishes to the way we attend to each of our guests. We look forward to welcoming you soon.”
